***Church Anniversary! Seventy Nine Years ... and Runnin'***

Have you seen anything lately that's been around for 79 years, and still runnin'? Any cars? If so, they're probably on display. Any airplanes? They've either crashed, or are in museums. Anything important going on back in 1938? Maybe...but not too many people are still around who can remember enough to talk about it.

However, there was one important thing that happened in October of 1938, and it is still being talked about today! It was the founding of this church that we all love. Important, because it began as a lighthouse for the gospel, and continues still today. Important, because preachers, and missionaries have been sent forth into the world with the same message that the church was founded on. Important, because countless men and women, boys and girls, have had the gospel taught and preached to them faithfully, four times each week, for 79 years. That's 16,432 Bible messages that have been heard by those who came, not counting the many revivals, Bible conferences, stewardship conferences, and mission conferences, and other special meetings.

For these things, we must first give thanks to the Savior, Who is the reason for it all. Then, we must be thankful for the many hundreds and hundreds of people who have been faithful through the years, and many, through their lifetime. They have supported the church by their attendance, by their prayers, and witnessing, giving and going.

That being said, we've got reason enough to continue to be faithful, reason enough to live a life that pleases the Savior and is beneficial to mankind, saved and unsaved, and reason enough to continue as we started. Let's just keep runnin'!

Dear Prayer Warriors,

It is a joy to report to you that nine precious souls have accepted Christ so far this year. I preached last Sunday night at the mission in Swink, Ok. Bro. Joseph is preaching Sunday morning and evenings at the Idabel church, and I preach there on Wednesday night. After the service at Idabel Sunday night, a young Choctaw teen asked Bro. Joseph if he could talk with him. Bro. Joseph had the privilege of leading him to Christ. Svend is the teen's name. He comes from a broken home, but because of his godly grandparents, he has been in church most of his life. He lives with his mother and other siblings. His father claims to be saved, but is not living for God. Pray that God will protect Svend from his father's influence.

We hope to have some photos in the next letter of the work that was done on the Escrito, NM building this past summer.

Please continue to pray for Cala's health. She is having issues with her heart and stomach. Pray that she will be able to sleep better at night, too. Thank you so much for your faithfulness to our ministry over the years.
